Voices from the J.M.U.N Club: Students' Testimonials

ALISTA MARY NETTO, IX B

PRESIDENT

The J.M.U.N. club of Jeevass CMI Central School provided a platform to students for debating, public speaking, writing, critical thinking, international affairs, etc. As the president of this club, it helped me build up my leadership qualities. It also helped me develop my social skills. In addition to it, I also gained insights into the problems faced by India and the whole world. It also helped me boost my confidence and public speaking skills. This club also helped me learn about the importance of unity and teamwork. It also improved my writing and research skills. Knowing how to research, debate, and negotiate with others is essential for the success of the M.U.N. conference. This club taught me all the qualities that are mentioned here. M.U.N. also helped to engage fellow delegates and allowed them to develop a deeper understanding of current world issues and politics. Last but not least, it also helped me to maintain a good relationship and healthy competition with others.
