ANNUAL REPORT

2023-24

INTRODUCTION

Speaking skill is one of the most important skill we learn, as it allows us to communicate with others and express our thoughts and feelings. Through Jeevass Resona we encourage our members to improve their ability to communicate effectively.

Objectives:

1. To provide platform to students for the development of communication skill.
2. To develop confidence and speak with proper stress, intonation and rhythm.
3. To develop vocabulary according to the topic.
4. To improve overall oratory skills.
5. To overcome stage fear.

VOICES FROM THE RESONA STUDENT TESTIMONIALS

Resona club fostered the stage confidence, vocabulary and personal growth of its fellow members and has undoubtedly achieved its aim. Throughout the year Resona club has conducted few activities such as debate, delivering famous speeches etc. which helped in fostering the speaking skills, leadership skills, maintaining eye contact, pacing tone, effective body language and attractive word choice of the club members.

ANNATHERAS ANTONY VIII C

Reflecting upon my experience as a member of the Resona club at Jeevass, I can confidently say that my friends and I have benefited from the club in different ways. Being part of this club, helped me overcome my hesitation for speaking. The constructive feedback provided by the teachers have also immensely helped me. Resona club has proved to be an enriching experience and the bedrock for the passion I developed in public speaking.

RICHEL SUSAN MIKHAIL IX A

This year with the speakers forum or the 'Resona Club' has been a wonderful experience for me. By the end of the year I had gained the confidence and ability to go up on a stage and speak without any fear. I am really thankful to the teachers for providing and giving me such a wonderful opportunity to come out of my comfort zone and be more confident and eloquent.
