JEEVASS  
YOUNG INNOVATORS CLUB

ANNUAL REPORT 2023-24

The scientific and technological advancement of today is a long journey . Each student has his own interests, talents and abilities. Now a days students exhibit their growing interests and talents by means of stimulating group participation and mobilizing interest in learning science by organizing science clubs. Through the activities of JEEVASS Young Innovators Club, learning of science becomes joyful. We, Jeevassians believe that the Innovators Club is a place where CURIOSITY MEETS CREATIVITY!

## ■ Objectives ■

- Promote inquisitiveness among the students and inculcate scientific temper.
- Trigger interest among the students in Science.
- Encourage and equip the students in applications of science and its interface with society.
- Encourages collaboration and teamwork among students.
- Engage the students in hands - on science activities outside the regular classroom.

**Joannah Mary Maxin**

## Innovators Club Inauguration

Date : 15th July 2023  
 Time : 1.30 pm- 2.30 pm  
 Venue : Auditorium

## Science Exhibition

Date: 19th September | Time: 11.00 am - 1.00 pm | Venue: Biology lab, Physics lab

## Innovators Club Imparting Knowledge to Primary Students

Date : 21st February 2024 | Time: 9.00 am-10.00 am | Venue-Biology Lab

## Hands-on-training in Science experiments

Date: 17th July 2023 | Time: 1.00 pm -2.00 pm | Venue: Biology lab, Chemistry lab

## Innovators Club Closing Ceremony

Date: 26th February 2024  
Time: 1.00 pm-2.00 pm  
Venue: Classroom, Chemistry lab,  
School ground

“ The Innovators Club is a great initiative taken by the school to engage the children in actual experiments and encouraging their curiosity about the world around them. My child comes home excited to share what they have learned. The club develops a scientific reasoning, critical thinking and a questioning mind. It imbibes a researcher's mind in the club members. I am grateful for the opportunity it provides for my child to explore and grow academically.

**Dr. Mahesh P.U.**

**Parent of Hariharsh M Madathil of class 7A**

“ I am writing to express my gratitude for the opportunity for my child to participate in the Science Club at School. As a parent, I have observed first-hand the numerous benefits that such a club brings to our school community. Thank you for your attention to this matter.

**Dr. Vineetha Manoj**

**Parent of M. Gourinanda of class 8C**

“ Overall, it was nice and was very informative especially for subjects Biology and Chemistry. It would have been better if there was a bit of physics too. The exhibition and related programs were good too.

**Minnu Mathew**

**Parent of Chris Cherian of class 7B & Issa Cherian of class 8B**

“ Innovators club has brought immense transformation in my daughter's interest in science subjects. Moreover, it gave a tremendous platform to actively participate in the activities conducted. Ms Julie's guidance and leadership is commendable and demands a huge applause.

**Dr Femina Syed**

**Parent of Dhiya Rameel of class 6A**

“ The Innovators Club helped express the inner scientist in me at a younger age. The activities conducted, like the science exhibition, greatly increased my love for science.

**Abhay Vinod Kumar**  
6B

“ Innovators club gave me a sense of teamwork and unity. It gifted me with opportunities to learn and achieve many things. It was one of the best things I experienced during the school year.

**Aaysha Nishad**  
7A

“ Science club is a formation within the students to nurture the innovative ideas in young budding minds. I am proud to be a part of such a talented, fun and motivated team that is dedicated to making scientific temper in young minds.
